

Andover Public Schools
 Permission for Photo/Video/Internet

Dear Parent/ Guardian:

During the school year, opportunities arise for students' pictures to be taken: special programs, field trips, classroom activities, student achievements, etc. Your permission is required in order for your child to be included when these opportunities arise.

In some cases, photographs or videos may be shared outside of school or the classroom setting (e.g. newspapers, Channels 8 & 10). Once these photos/videos are shared outside of the school, they are accessible for use on the Internet.

This is a "Blanket" Permission slip for use during the school year. Please indicate below, whether or not you will give permission for your child to participate in photo/video opportunities.

Kindly return this form to the school so that it can be kept on file.
